RE: Deferment of property tax payments

Legislation to defer property tax payments for military reservists called to active duty was introduced on behalf of former county treasurer John Donofrio at the Summit County Council meeting on October 15, 2001. The full Council passed the Resolution on October 29, 2001.

Military reservists called to active duty or currently on active duty will not have to pay real estate taxes on owner-occupied property until they return home from duty. The program began with the first half 2001 real estate tax collection, which was billed in January 2002. The program will continue for the first half 2002 real estate tax collection, which will be billed in late January 2003 or as long as necessary.

Any reservist, spouse or authorized agent interested in the program should call our office at 330-643-2641 or fax us at 330-643-2864 and ask about the Military Reserves Plan. You can also e-mail us at: summittreas@summitoh.net or go to our Web site: fiscaloffice.summitoh.net for further information. We have attached an application form for your convenience.

Fiscal Officer Kristen M. Scalise CPA, CFE would be pleased to meet with Summit County, Ohio Reserve Centers to further explain details of the program.
