Firewood License Application

Enclosed is an application for a Summit County Firewood Dealer's License. Firewood licenses are good through the calendar year and expire on December 31st. A license is required to sell or advertise the sale of firewood in Summit County. Because firewood is a taxable commodity, all applicants must have a valid Ohio Retail Vendor License.

Please print or type all relevant information. We are required to return illegible, incomplete or unsigned applications.

If the business is a sole ownership, the owner's name is on one line. Partners are to list both names on line one. Corporations, LLC's and LP's must list the name of the corporation along with their Ohio Corporate Charter number, Articles of Organization number, or Ohio Foreign License number.

Business address is the address from which the firewood is sold. If you sell firewood from more than one location, list the main office address in this field and attach a list of retail locations. The location of the firewood is the address where the firewood is stored until delivery.

Please complete the application and return it with a check or money order in the amount of $25.00 payable to Kristen M. Scalise CPA, CFE, Fiscal Officer. If you have any questions, please call our office at 330-630-7225.
